

ARBUDA RAT GLUE TRAP

With Peanut Butter Scent

Is an effective tool for controlling rodents. Its design ensures maximum catch rates with minimal fuss.

For control of:

- Rats/ Mice/ Mouse

The peanut butter scent attracts pests, while the high-quality glue captures them securely. Ideal for both indoor and outdoor use, this trap provides a reliable and hygienic solution for rodent management. Easy to set up and dispose of the trapped infestation.

Always read and follow label instructions.
